Friday night ended the most remark able sale ever witnessed in a city the size of Dothan. We say ended-but this is not the word-for the Dissolution price will continue in force on all Summer goods until every vestage of spring and summer stuff is sold. On all staple goods the same modest profit that has characterized our store in the past will be asked.

We buy most of our merchandise from the maker direct, saving one profit, consequently a great saving for you. We feel very grateful for the hearty response the people have always given to was not be some strong when the strong some strong our efforts. Its a great incentive to run a better store.

We promise to try harder each season to do this.
